

THE ON-LINE SURVEY AUDIT PROCESS

Contact W3 Insights & order our on-line "Welcome CD-ROM"
(This contains full instructions on web access, passwords etc) for web-based auditing

Students complete survey.

Time estimate = (No. students on roll / No. networked computers) x 15 minutes.

For online solution each student receives an electronic receipt as their data is added to our secure servers.

When on-line audit is complete click button to notify W3 Insights to confirm and your whole organisational report will then be processed.

USE SURVEY DATA TO HELP YOUR STAFF MAKE THE VITAL DIFFERENCE!!!

Report returned to you via email or on CD-ROM

Estimated report generation time = 5 working days. Web costs also include a data harvesting / admin fee.

W3 INSIGHTS can provide all the necessary training & ongoing consultancy support you could need to ensure your success...
